The redevelopment of Kenilworth centre (incl. Waitrose) has dramatically aggravated traffic congestion in Kenilworth. Warwick Rd. is nearly always a slow crawl in both directions. Also the traffic flow along Birches Ln. into St. John's roundabout is very congested at peak times, and the close proximity of the Farmer Ward Rd junction to St. John's is increasingly dangerous. A further increase in traffic volume from the proposed Thickthorn development would cause an unacceptable increase in congestion, danger and environmental deterioration. At the Thickthorn roundabout on the A46, traffic already backs up to the dual-carriageway at busy times with correspondingly increased risk of collision.

Kenilworth is already under threat from the effects of HS2. If we allow further development into the Green Belt, this small and characterful town will gradually be swallowed up into a sprawling conurbation joining L.Spa/Warwick, Kenilworth and Coventry. We value the amenity value of the Thidethorn Green Belt and also want to retain the small town character of Kenilworth.
