Morton Lindsey enjoys an historic hill top setting, the village is very sensitive to development due to its prominent location.

It is in my opinion that Morton Lindsey is not compromised by any development which could increase the number of houses by more than 50%.

Morton Lindsey has a poor road network, limited footpaths and no cycle paths in the village.

There are no shops, surgeries, or school in Morton Lindsey. With more private vehicles, this will increase carbon emissions.

We only have 4 buses per week in the village.

The "Green Belt" has restricted redevelopment on a proportionate scale. Why change?
