Support

Object

Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I object for the following reasons -
The land is greenbelt + to build on it would break the National Framework Policy Document regarding greenbelt + other areas.
The land is Ridge + Furrow dating back to Medieval times.
The land has hedgerows and lanes dating back to the 17th and the lane is part of the millenium way.
Access off Primrose Hill will increase the traffic flow and cause Health and Safety risk to local Residents especially children.
It would also destroy the only remaining hedgerow on that side of the road.
Excess pressure on local schools + other infrastructure.
The existing housing is hidden by the local geography any new development will not be hidden + the area will lose its rural feel.
A 2008 Habitat Assesment deemed the site unsuitable for development
The area is home to yellow ants, ponds, mature trees, bats + crested newts.
Development could have a detrimental effect on flooding in the area

There are several errors on the plan submitted by the Council, see page 9. Maps 2, 3, 4 and 5 vary with regards to the areas to be developed.

There has been little or no communication from the council about these plans with many local residents still ignorant of the plans.
