Destroying natural habitat, insects, birds + trees

Congestion of traffic

Noise pollution

Ground high very uneven, doesn't seem a prime plot to develop on. Seems an expensive.

Green belt areas should be kept as green belt areas

Better housing solutions should be found rather than building on open green fields

Support should be given to Lees Farm to assist his business rather than him having to try and sell the land for financial reasons.

Coventry Road + surrounding roads aren't developed enough to handle 110 homes in this area.

Development of site for travellers should not be at the expense of green belt.

It would create an isolated community with limited access to local amenities
