Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

Objection to use of Green Belt land.

Green Belts were established to protect them from development.

Buying properties adjacent ^{to} / or near Green Belt added value (cost) to those properties. The development of this land would significantly reduce the value of those properties.

I do not believe the council has the moral or legal right to financially impact so many property owners without compensation - especially as it can be proven that the development could be carried out in the south of Leamington.

Arguments that builders would be unable to develop the additional properties (2,000 over 15 years or 133 a year) near Grove Farm &/or Whitnash S/E. are unsubstantiated and could be proven to be in error.

Objection to modifications to A452 & A46.

This is identified as being required due to increased traffic in and out of Leamington down the Kenilworth Road (A452 - L/Spa → Blackdown).

However the bottleneck is from Northumberland Northumberland Road towards the centre of town. This cannot be improved and therefore sending more traffic into this makes congestion far worse.
