I strongly object to the building plans between Leamington + Old Milverton. This ~~will~~ would

- totally + permanently change the nature of the area from semi rural to totally urban. It would be an ugly sprawl. If the road across the river is to be built then Old Milverton would look rather similar to places on the M6. Do we wish Leamington Spa to be like this

- There would be no space between Leamington + Warwick. We need this green break between the two towns

- Houses built on the land each side of Old Milverton Road would tower over existing houses, & as the land uses there

- I have no confidence that flooding would not occur

- Your plans will turn Leamington into a city rather than the graceful town it now is, with Park + Rides, bus lanes etc. This will not attract business.

- It will bright the area.

- The fields around Old Milverton Road are currently used for recreation + exercise.

- This green belt should not be used for development

- WDC has not demonstrated exceptional circumstances necessary to build on Green Belt under NPPF, use land east of A452 + south of Heathcote
- P.O. paper does not provide evidence to permit development in Green Belt so this is totally wrong
- NPPF states Greenbelt protection is to prevent urban sprawl. PO does the opposite.
- If it goes ahead it will be the main end of wedge which could lead to Leamington Kenilworth Warwick + Coventry becoming one city.
- The current infrastructure for this area is not sufficient, ~~the~~ leading to the need for yet more roads, wider roads resulting in further desecration of the countryside.
- In summary this proposed development would lead to total destruction of this part of Leamington + totally change the nature of this part of the town.
