Dear Sir/Madam,

PROPOSED NEW LOCAL PLAN AND DUNNS PITTS HAMLET, KENILWORTH

As owner of the land edged red on the enclosed plan, I proposed that this be added to the options now open for consultation/discussion on the following basis:-

1. As potential residential development infill, this three acre area which is not part of a productive farm, has been (largely wasted) grass for my 26 years here;
2. This well established hamlet of six dwellings would not attract any significant infrastructure expenditure;
3. Sensitive development would enhance our (green belt) community here, and assist the need to meet the housing shortage.

Yours sincerely,
