Dear Sir,

Having recently provided you with details of areas of land we own near Kenilworth, (see map 1,) I am writing again to offer areas near the Town for consideration for development in the Local Plan. In particular can I draw your attention to map 2 where there is an area marked which is surrounded by housing on three sides. As such it is incongruous that it is in the Green belt and I would ask that it be taken out.

Yours Sincerely,

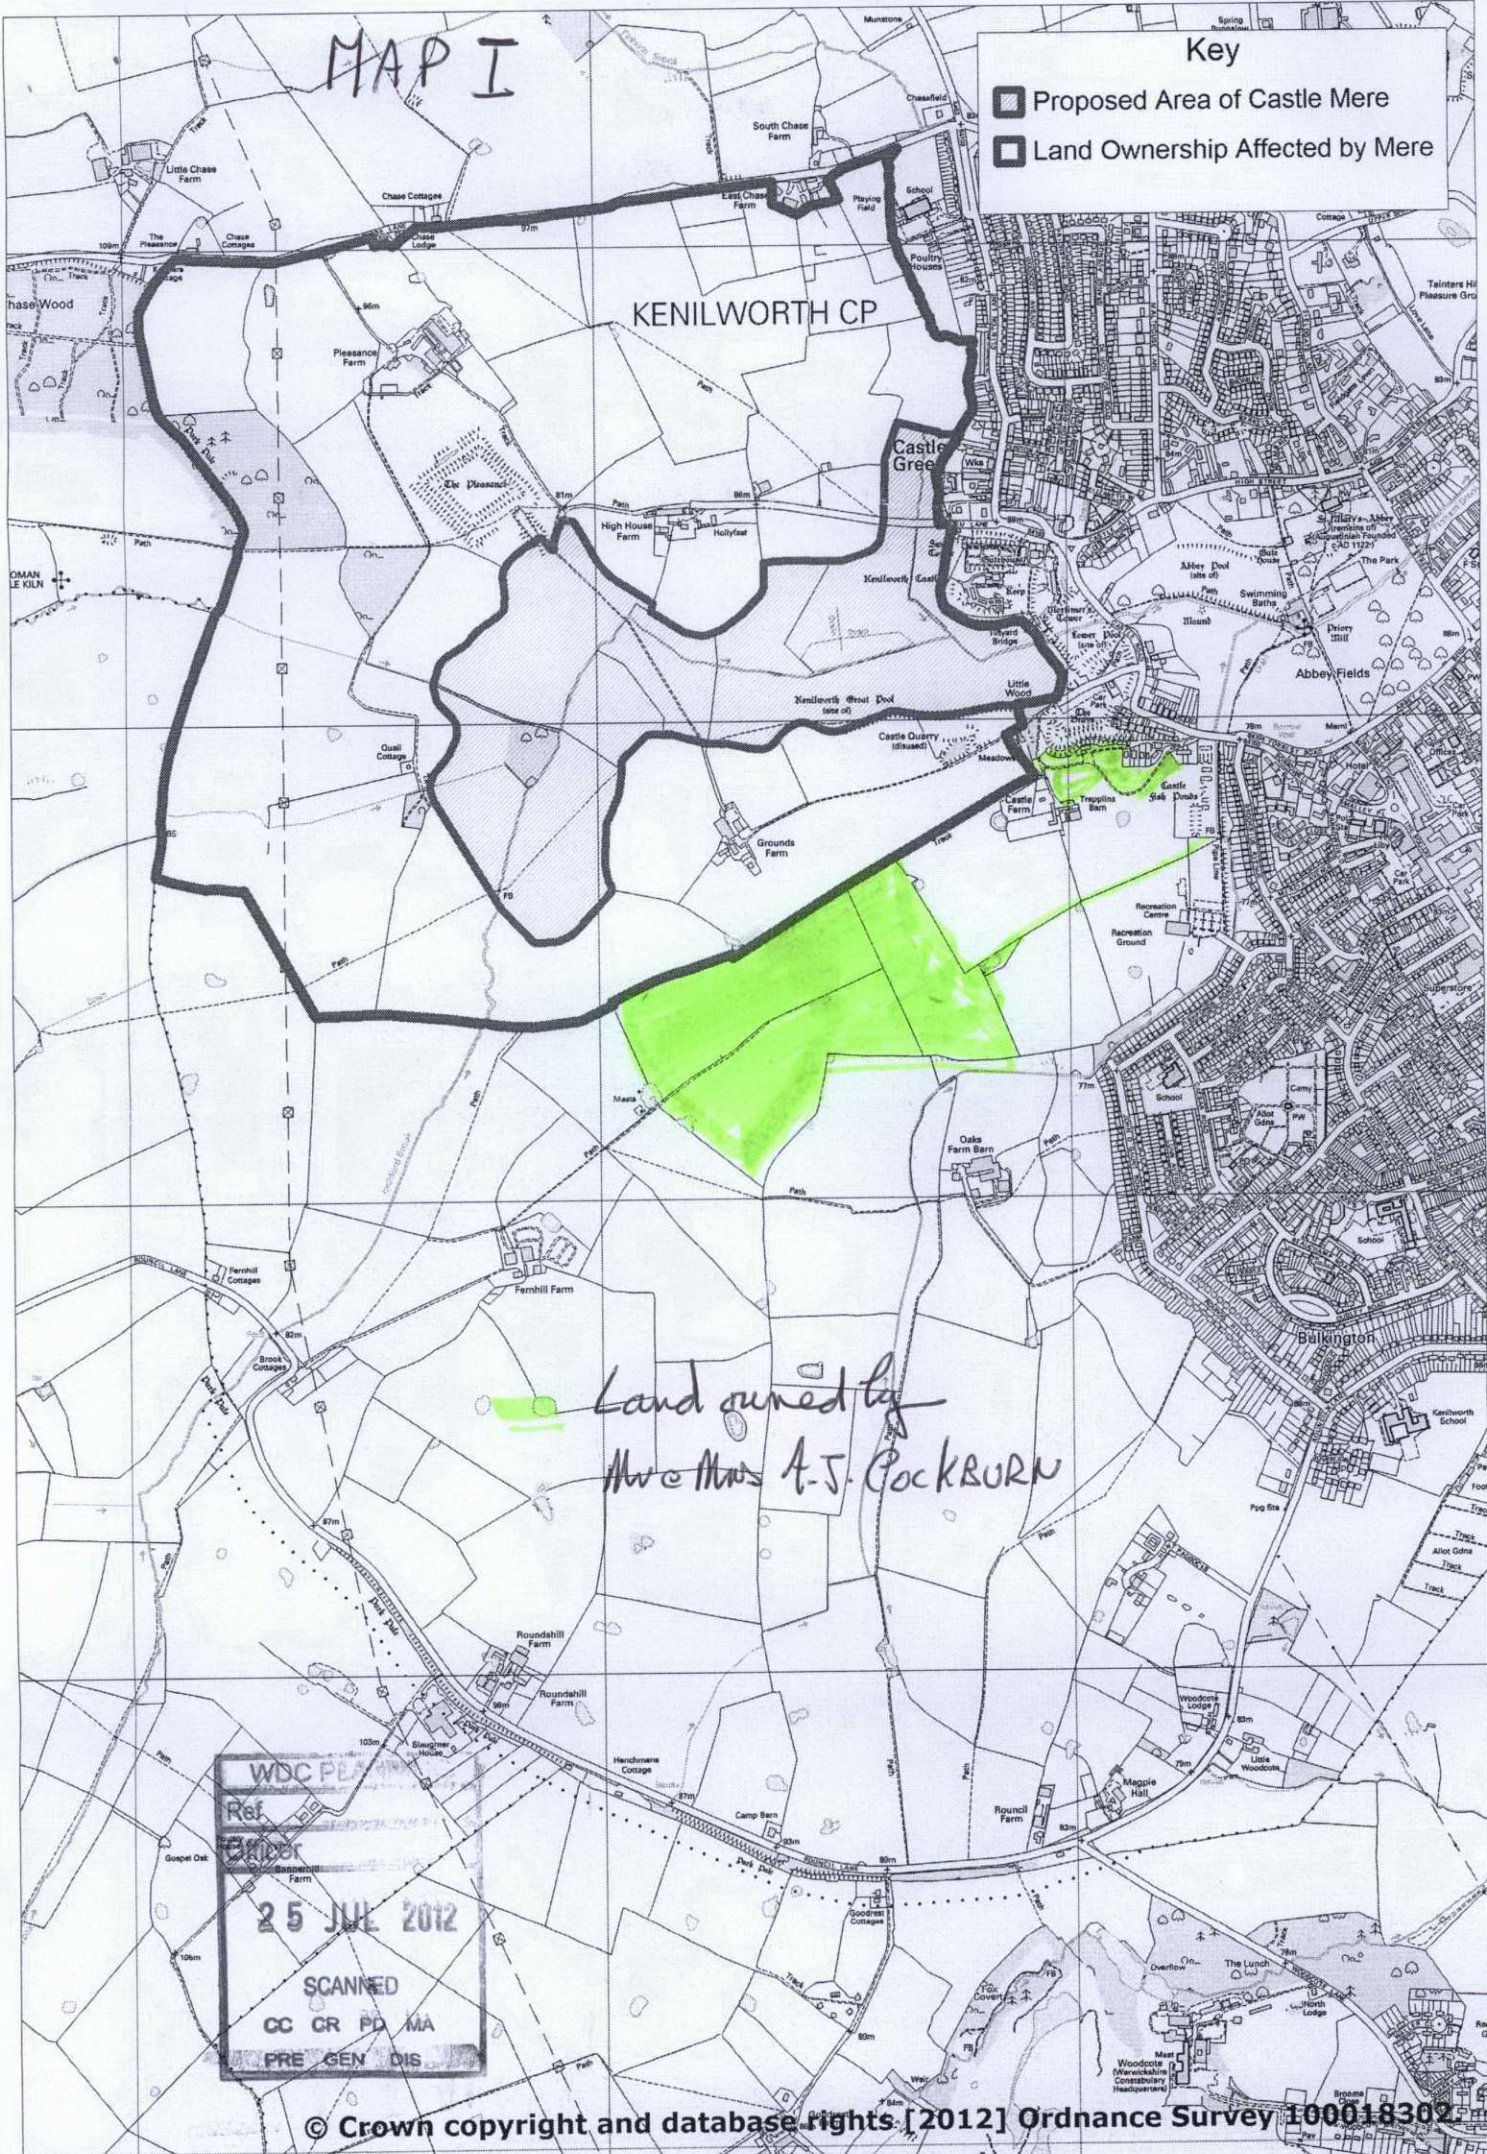

Alan Cockburn.
