We support the development of a
Community Infrastructure Levy Scheme.

However we note that the 'developer' is/are
asked to contribute.

If this is fact, maybe the scheme will
not make the money necessary to our cause,
therefore the wording should be altered and
developers 'shamed' into contributing.

Thank you

For your information;-

Ecologist Michelle Eaton

michelleeaton@warwickshire.gov.uk

made investigations of The Thickthorn Site,
on the side backing onto Thickthorn Orchards,
and reported it as

'a main migratory route for bats, between
Thickthorn Wood and Bullimore Wood.

(Wish I could say there are crested newts as well!)

I strongly object to the 'Wardens Cricket + Sports Clubs' being relocated for horses etc.

As it stands, especially with the addition of the Rugby Club's 'cow path' it could be even better developed to serve the Health + Fitness of Kibulworth. Already it houses many clubs and different sports, and has numerous links to the local schools.

Rocky Lane is the most natural 'cut off' point for development. Especially due to the different waterways that fill up and flow through the ancient woodland into Thicketon Woods and probably through to the R. Avon.

Re PO 6 b+c. houses for people with disabilities
• extra care housing
• retirement bungalows.

The nature of Thickthorn Orchards and Thickthorn Close is mainly of a 'retirement' type. This is then enhanced by Kenilworth Nursing Home (to which my home is adjacent).

We ask that this 'nature' is protected in the process and the Retirement Theme enhanced.

We support this but state that
Buildings should be no higher than
the height of an ordinary house eg
2 storey
-obviously preferably one storey high.

We feel very strongly about the Historic Nature of this site.

Especially the close proximity of 'Kenilworth Manor Nursing Home' which as 'Thickthorn Manor' with surrounding Thickthorn Mews + Orchards, is a Grade 2 listed English Heritage House.

As a House, the grounds were used as a base for many Kenilworth activities. The football and Cricket Clubs played on these fields in the past.

Thickthorn Woods should be made to 'link' to the house, to keep 'history alive'.

Proposed New Roads

- Turning the A452 between Leamington and Kenilworth into dual carriage way will not help traffic flows. At peak times the delays on the A452 result from commuters wanting access to the Town centres.
- Building nearly 3000 houses north of Leamington will simply increase the congestion.
- The dual carriage way will have a detrimental effect on the picturesque northern gateway to Leamington and southern gateway to Kenilworth.
- A "Northern Relief Road" (budgeted cost £28m) is not required. Traffic flows tend to be north to south rather than east to west. The road will serve no purpose other than to take new home owners quickly on to the A46 and to jobs and shopping opportunities away from our Towns. If the development does not go ahead the road will not be required.
- A "Northern Relief Road" will form a natural barrier and encourage further development in the green belt up to this new road. It will need to be built across the flood plain (at considerable cost) and will violate an important nature corridor along the River Avon.
- If the proposed development is concentrated in the South of Leamington there is an existing road network that could be upgraded at considerably lower cost than the £28m allocated to construct a "Northern Relief Road".

I am in total agreement with this statement

I whole heartedly agree with The WDC's findings.
As a dogwalker new to the area (1yr) I have researched pathways, brooks, woodland etc and walked many of them. There is managed woods alongside Birches Lane (by the Wardens + The Cow Patch.
I foresee this theme to be continued along the back of all homes which back onto the Thickthorn Dev. site, as a properly researched + planted 'Bottle Lane'. This in turn could be a 'walkway' from Stonleigh through to Kenilworth, promoting your 'Green' policies. Maybe in connection with 'Connect 2 Kenilworth' etc.

Thank you
