Dear Dave

## Designation of Neighbourhood Plan Area - Application

Baginton and Bubbenhall Parish Councils would like to formally apply to Warwick District Council for a joint designated neighbourhood plan area.

It is our intention to use the joint Parish boundaries as the extent of the joint neighbourhood plan and a map is enclosed for your reference.

It is felt that this is the most appropriate boundary for a neighbourhood area because both villages are set in a rural area, have similar characteristics, face the same issues from planned developments and are the catchment area for many local services such as shops.

Under the relevant legislation, Baginton and Bubbenhall Parish Councils are the 'relevant body' for the preparation of a neighbourhood plan.

Baginton and Bubbenhall Parish Councils request that you start processing this application in accordance with the appropriate regulations.

For your information, this application supersedes the Baginton, Bubbenhall, Stoneleigh and Ashow neighbourhood area designated on 1st July 2015.

Please will you acknowledge receipt of this application.

Yours sincerely

Jane Fleming  
Clerk to Bubbenhall Parish Council
