Consultation Response to the Warwick District Council Village Housing Options and Settlement Boundaries Consultation – November 2013

Chapter 7 Village Plans and Housing Options

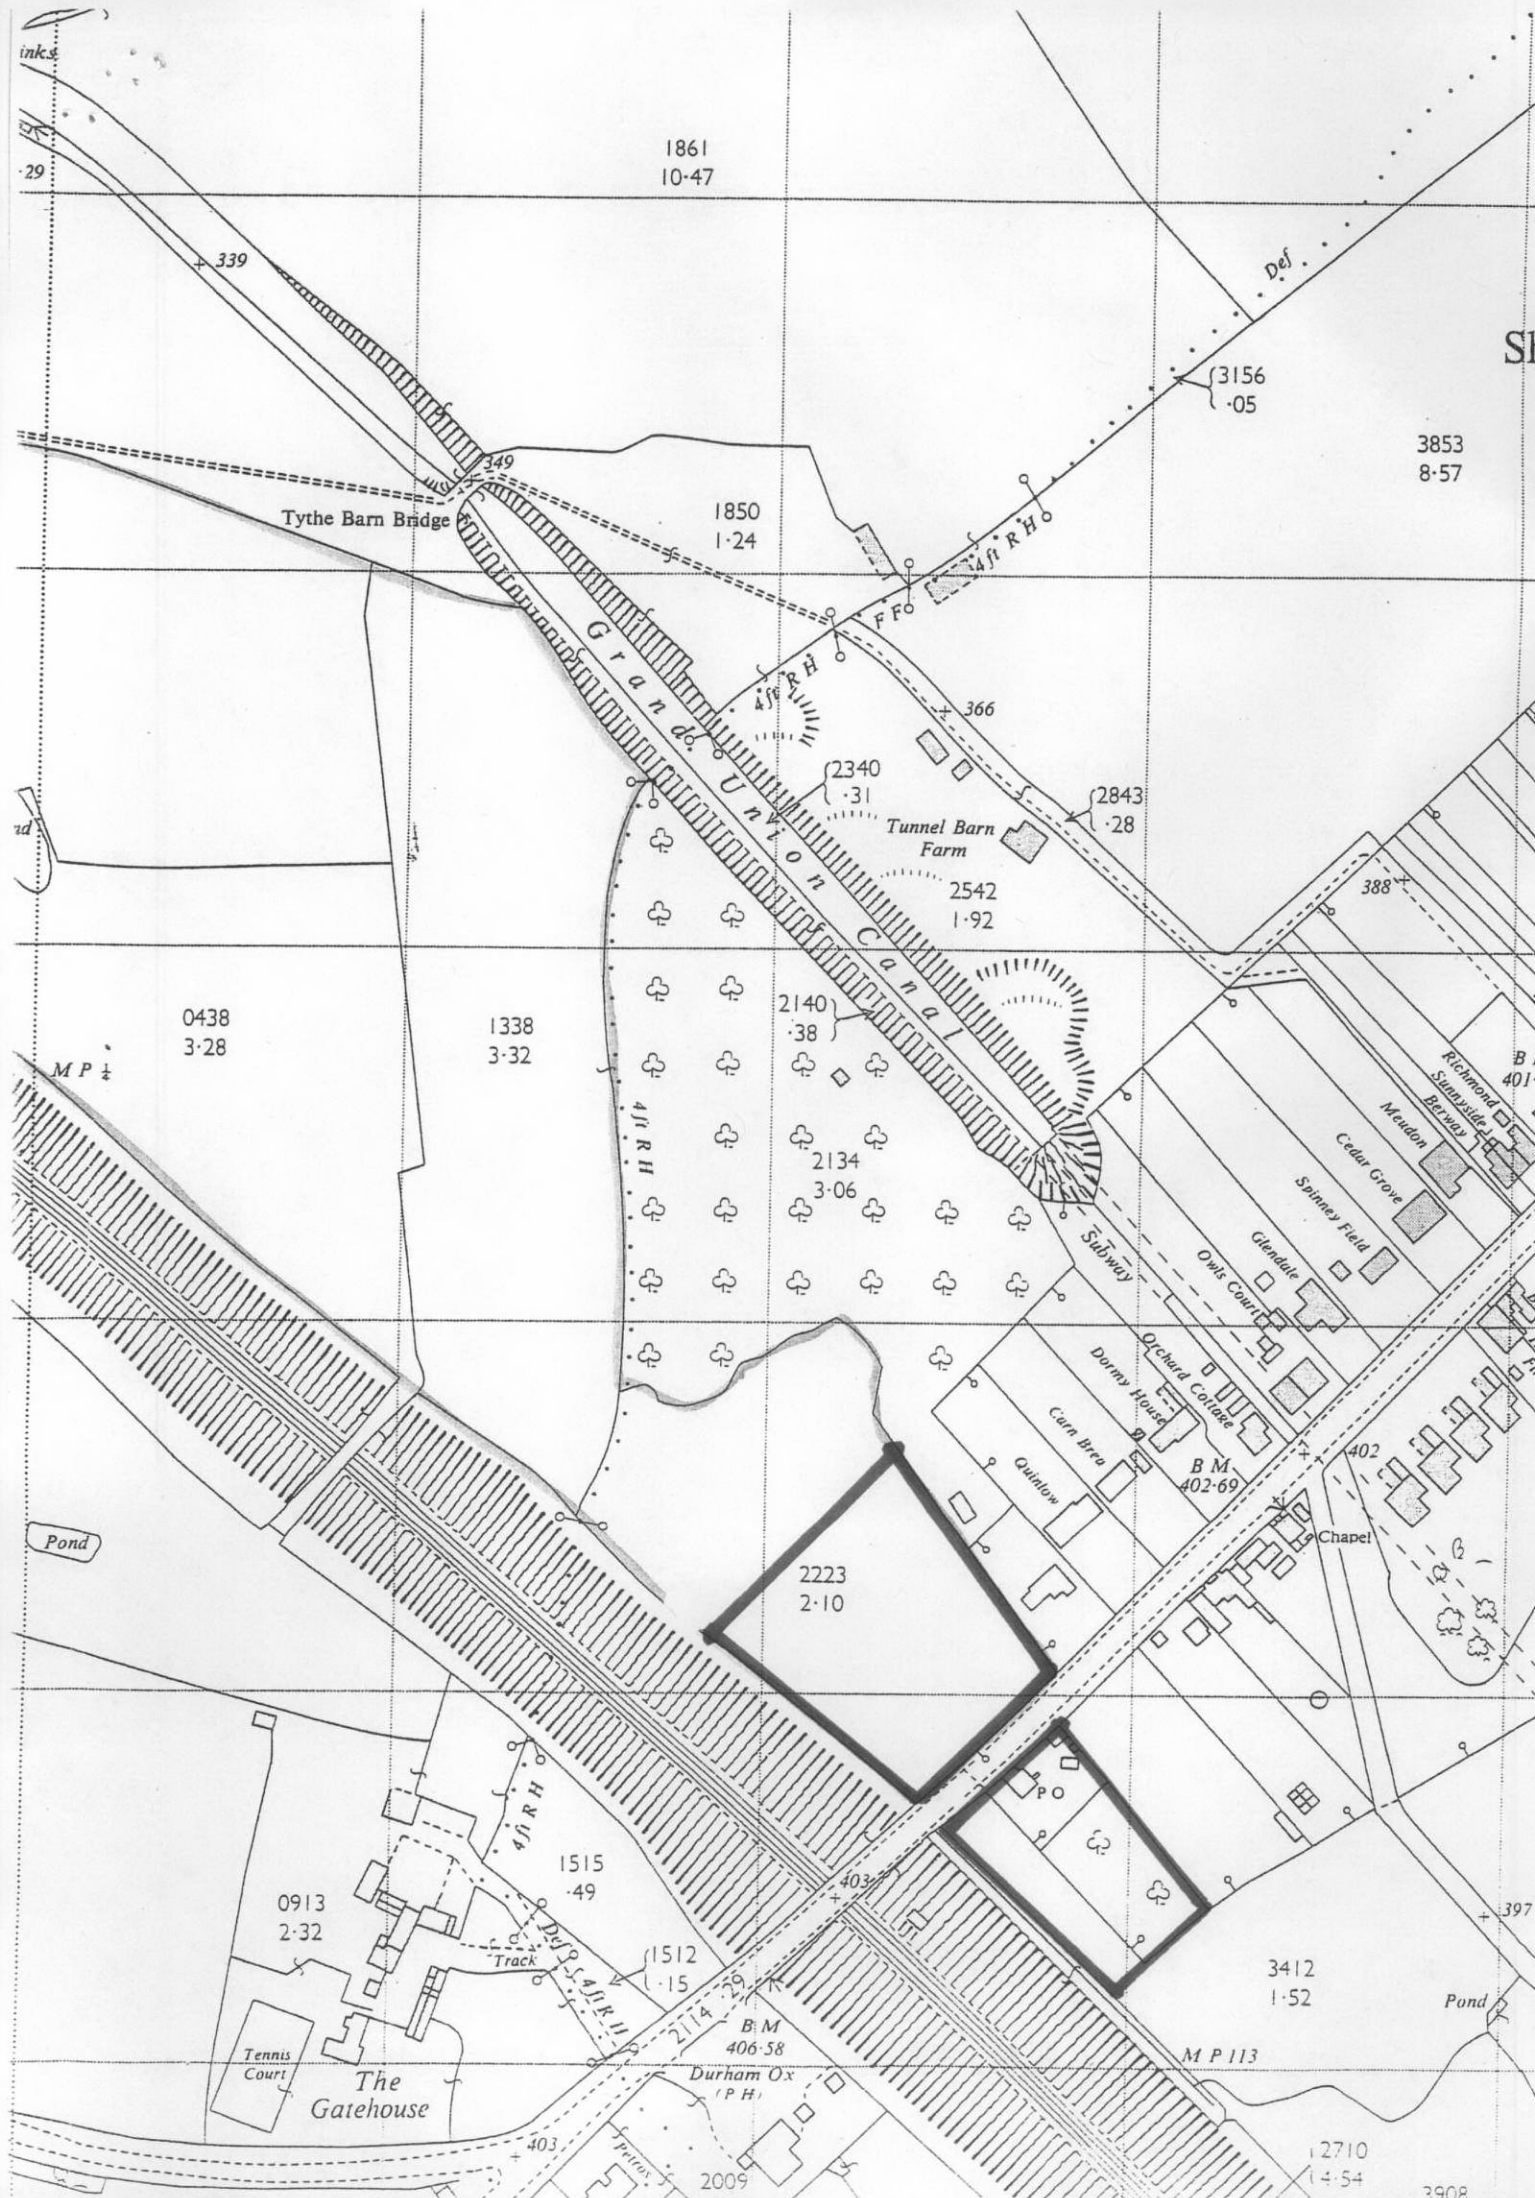

This representation refers to the settlement of **Shrewley**.

We act as agents and planning consultants to the Bree Estate who are the owners of the land we have shown edged in red upon the attached plan.

Our clients support the proposals set out within Chapter 7 for the following reasons:

Our clients support the inclusion of areas 1 and 2 and confirm that they are ready to work with the planning authority in order to bring the land forward for development in order to meet the requirements of the community and in compliance with the emerging development plan.

As far as our clients are aware there are no constraints to development and our clients are prepared to make the land immediately available for development.
