Dear Sirs

**Potential Sites for Gypsies and Travellers – Public Consultation**

We understand that the Council has to provide 31 permanent pitches over a 15 year period, 25 of which are required within the first 5 years of the Local Plan. We appreciate that the Council has difficult decisions to make, but we feel that the potential site (ref.GT08) Depot to the west side of Cubbington Hill Farm should be removed from the list of sites under consideration.

We have a copy of the letter sent to you by Cubbington Freeholders in July 2013, current owners of the land in question, and we agree with all the comments stated in their letter. As a past recipient of funding from the Freeholders, Cubbington Village Hall Trust, would greatly miss the financial support it has received for projects to improve the Village Hall for the local community, if funding were no longer available.

We wholeheartedly support Cubbington Freeholders in their efforts to retain the land. If the land was sold this would seriously affect the local community and the organisations which have received funding in the past.

Yours faithfully
