| Effective: | <input checked="" type="checkbox"/> |

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

The proposal that Warwick District should take the largest share of Coventry’s unmet need for housing is unsound, given the Green Belt status of a large part of Warwick District. The NPPF para 182 requires that unmet needs from neighbouring authorities should only be accommodated ‘when it reasonable to do so and consistent with achieving sustainable development’. Para 14 footnote 9 specifically excludes land in Green Belt from a presumption in favour of sustainable development.

Moreover insufficient attention has been paid to the necessary infrastructure, and to the pressure on local road systems. The proposed development at King’s Hill (1800 houses in the first instance, with potential for 4000) together with the proposed sub-regional employment site (DS16) and the 80 houses at Rosswood Farm in Baginton (H19) will generate intolerable amounts of traffic through the villages of Stoneleigh, Baginton and Bubbenhall.

The policy is unsound because it has not paid sufficient attention to the Joint Green Belt Study 2015.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove housing allocation in prime Green Belt south of Coventry (H19 and H43).

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
