If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

Warwick District Council has allocated a number of additional sites for housing through the Proposed Modifications document to meet an increased housing requirement of 16,776 dwellings (2011-2029).

As noted in our response to Mod6, we consider that the Local Plan should allocate a greater number and range of sites to provide the necessary choice and a greater degree of flexibility to meet the District's objectively assessed housing needs over the plan period.

In our view, the overall number of dwellings to be delivered on allocated sites is not sufficient to ensure that the Local Plan has the flexibility to accommodate change, should the delivery of some of the sites identified at Appendix B of the Proposed Modifications document be significantly delayed. The Local Plan is not effective as it risks not delivering the full objectively assessed housing requirements.

It is considered that additional sites should be allocated to ensure that the Local Plan meets housing requirements and provides for a reasonable degree of flexibility and choice.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

As set out in our response to Mod6, we consider that the Local Plan should allocate additional sites to ensure that it can readily adapt to changing circumstances.

We consider that land off Home Farm in Leek Wootton and land off Friends Close, Mill Hill in Baginton should be included in the Local Plan as additional housing allocations to provide a further 'boost' to the supply.

Land off Home Farm, Leek Wootton

The Local Plan considers Leek Wootton to be an appropriate location for growth and is already proposing to allocate the Former Police Headquarters site for housing. The Home Farm site, which is located immediately to the south of this allocated site, provides an opportunity for a wider sustainable village extension. It is readily available and deliverable and could help to meet housing requirements in the short term supplementing the allocated Former Police Headquarters site, which is likely to take some years to come forward.

Land off Friends Close, Baginton

Baginton is also identified as a Growth Village in the Local Plan and is considered to be one of the most sustainable villages in the District. The site off Friends Close immediately adjoins the existing urban area of Baginton and lies within easy reach of all the village facilities and services. It is considered that the site would provide a suitable housing site which could help to meet the District's housing requirements in the short term.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
