Dear Ms Smith

RADFORD SEMELE NEIGHBOURHOOD PLAN REGULATION 16 CONSULTATION

Thank you for the invitation to comment on the Submission Neighbourhood Plan. Our previous comments on the Regulation 14 Plan remain entirely relevant that is: *“Historic England is supportive of the Vision and objectives set out in the Plan and the content of the document. In particular we commend the emphasis on local distinctiveness and the maintenance of historic rural character, including through the protection of undesignated heritage assets as set out in Policy RS7 and the maintenance of an Area of Separation from adjacent urban areas (RS12). Overall the plan reads as a well-considered and concise document which we consider takes a suitably proportionate approach to the historic environment of the Parish”.* Beyond those observations we have no further substantive comments to make. I hope you find these comments helpful.

Yours sincerely,
