Subject: Warwick - Burton Green Neighbourhood Plan Submission Version 29092020

OFFICIAL

Network Rail is a statutory consultee for any planning applications within 10 metres of relevant railway land (as the Rail Infrastructure Managers for the railway, set out in Article 16 of the Development Management Procedure Order) and for any development likely to result in a material increase in the volume or a material change in the character of traffic using a level crossing over a railway (as the Rail Network Operators, set out in Schedule 4 (J) of the Development Management Procedure Order).

Network Rail is also a statutory undertaker responsible for maintaining and operating the railway infrastructure and associated estate. It owns, operates and develops the main rail network. Network Rail aims to protect and enhance the railway infrastructure, therefore any proposed development which is in close proximity to the railway line or could potentially affect Network Rail’s specific land interests will need to be carefully considered.

Network Rail has no comments.

During the current situation all planning applications and planning policy consultation must be issued to: TownPlanningLNW@networkrail.co.uk only. Please do not send hard copies to the Manchester office as the Town Planning team are working from home.
