Dear Sirs

***Petition against allocation of sites around the village of Hockley Heath***

I am writing as Ward Member for the Dorridge & Hockey Heath Ward of Solihull Metropolitan Borough Council, in relation to the call for sites launched by Warwick District and Stratford District Councils for the South Warwickshire Joint Local Development Plan that is in course of preparation. This has resulted in a number of sites being proposed for allocation by developers and landowners around the village of Hockley Heath

***I am setting out below the text of a petition that has been signed by over 250 residents of my ward objecting to any allocation of sites adjacent to Hockley Heath***

***We the undersigned residents of Hockley Heath oppose the allocation of any of the sites around Hockley Heath in the South Warwickshire Joint Development Plan and oppose any further erosion of the green belt in that area***

I am enclosing a printed list of those who have signed the online petition together with a list of the additional residents who have sent in paper objections. Please let me know if you need any further verification of this. More signatures are coming in more or less daily and can forward these later if required.

I shall also be presenting a copy of this letter and petition at the Full Council of Solihull Metropolitan Borough Council on 5<sup>th</sup> April, with a request that the Council make strong representations against the allocation of any of these sites.

***The sites are all situate within the strategically important Green Belt which surrounds Hockley Heath and, for example, all share the key characteristics of planning policy necessary for that Green Belt designation. The village has neither the capacity nor the facilities to accept any additional development like this, bearing in mind the pressures on development already within the borough. Residents of my ward are upset and concerned about this opportunistic attempt by landowners and developers to seek change of status for any of this land and are adamantly opposed to any allocation of this land for development.***

I would be grateful if you would please acknowledge receipt of this petition and representation and thank you for your time and consideration

Yours

faithfully

**Councillor Ian Courts, Ward Member  
Dorridge & Hockley Heath Ward  
Solihull Metropolitan Borough Council**
